Coaches Corner

It is now mid February and with the six weeks of training pre-christmas combined with the five weeks post-christmas we are about to play a trial against the Crows at Norwood Oval. The emphasis has certainly been on us being better skilled under stress situations and as such has seen a higher number of minor injury set backs occur. This will mean that only our very fit players will represent us in the trials and early games which will set a high standard for performance throughout the season.

Apart from Mark Passador, who has settled into Adelaide with work and accommodation along with his girlfriend Grace, we are excited about several other young players new to our Club.

Luke Powell, a tall utility from Geelong, Dale Ellis who is a 196cm key defender from Queanbeyen and Lee Treeby who played for the premiers Eastern Ranges in the TAC Cup as a midfielder have added depth and quality to our list. Sam Phillipou is also training well and I know that he is keen to perform strongly in his return to the Club.

The players who established themselves last year are also intent on improvement and with a very competitive spirit amongst the group I can assure all members that they will get value for money from our Club this season.

RON FULLER

Welcome We would like to officially welcome Carin Montgomery (personal assistant to GM), Diana Sampson (Finance Administrator) and Paul Lindsay (Project Development Co-ordinator) to the Eagles administration team.

The Club looks forward to providing an informative, entertaining and up to date website for Eagles fans and the public to enjoy. The Club looks forward to you supporting this initiative as much as we will enjoy providing you with the information.

Major Auction

With the football season fast approaching it brings with it the planning of Club functions. By far the most important night for fundraising at the Club is the Eagles Major Auction Dinner. Again, this will be held at AAMI Stadium Function Centre which is ideal for this night, on June 21st, 2003.

It has been very well patronised over the years, seen as a night of super buys, excellent food and drink, an entertaining and enjoyable evening. If you have not been before then you should mark down the date as a must. If you have been then no doubt you will mark the date down as a must. A night too good to miss, June 21st, 2003, see you there!

Cheerio Netball Club Alliance

The Woodville-West Torrens Football Club would like to inform all members and supporters that the Club has formed an alliance with the Cheerio Netball Club who will be playing as the Eagles. Cheerio have always been based in the Woodville area and have had Green and Gold as their colours for over 50 years. This year they have altered their playing uniform to incorporate blue and an Eagle emblem. With this alliance the Club hopes to build a solid relationship that can be mutually beneficial for both Clubs. Greater patronage at matches and functions are two areas that the Club feels will benefit. Having the members and supporters of the Eagles support this initiative will provide a solid grounding with which to start from.

Membership

Season 2003 is here! Becoming a member makes you part of our team. Get on board with the Eagles as we go forward together. All Eagles supporters who sign or re-sign as a member for 2003 before February 27 go in the draw to WIN a trip for two to the Gold Coast. Signing up prior to this date will also enter you in the draw for two members reserve tickets to AAMI Stadium each week of the 2003 season (22 to be won). All winners will be notified by an Eagles staff member soon after. Help us to reach 2000 members in season 2003. This will only be achievable if we have your full support. Believe us when we say your membership makes a difference.

To become a member of the Eagles simply call the Club on 8347 2444 or log onto www.vvwtfc.com.au and follow the prompts.

Phantom

Welcome one and all to season 2003, the Phantom has been out and about as usual during the off season. There is no doubt that summer & the New Year has produced some excellent performances on the track but nothing compared to the efforts off it. It started at Greg Chapman's 21st late last year where a big night was had by all. It resulted in an unknown man being left unconscious thanks to a vice like grip from ???? & a taxi bear hug by one of our new recruits. Onto the New Year and Peter "Baywatch" Hryhorec was looking to bring it in with a bang. He was lucky enough to entice a young lady back to his room for a drink but unfortunately no alcohol was present. Showing great signs for the up coming season young Baywatch didn't panic in a crisis & made his own cocktail Fanta & Milk! Just for the record it worked! Some relationship developments have occurred this year already with Scotty Mathews getting engaged to his long time girlfriend (maybe that explains his recent back injury), our

reigning club champion has also been visiting his long lost love interstate on a regular basis, there seems to be a proposal on the horizon & the toothless Josh "Donuts" Mcloughlan was recently seen on one knee with his lovely girlfriend (that could just be to pick up his tooth though). Our efficient marketing assistant has been breaking hearts all over town maybe his house mates (The Wise Bros) have had something to do with that or is it the animal like noises coming from his room. Good news also, our ever reliable captain will be returning from his stint overseas in mid February, lets hope he doesn't come back a beach whale like he did a few years ago when he missed pre-season. It's not only the players who work hard at this time of year but our coaching staff also put in the long hours. One of our more dedicated coaching staff recently got a tattoo for his fortieth birthday and you wouldn't believe what it was? A SHERRIN on the hip, not sure what the wife thinks about it but at least he is keeping his eye on the ball. Finally Spiro Darzanos nothing to report here, but watch for this space next time he is sure to produce very soon.

The Fishing Challenge is on

During the summer I put my crew together for our fishing trip on Ron Stennett's 7m fishing boat. On a calm Sunday morning the captain and five man crew set out from North Haven in search of the Ron Stennett giant snook, by 4.00pm that afternoon the expedition had caught 44 Snook with the largest being 83cm. Some weeks later a challenge came from the player's crew, again Ron Stennett as captain with Paul Lindsay, Joe Pedler, Mark Passador and Josh King as the crew. After several annoying telephone calls I received during the day from this inexperienced crew informing me of the quantity and size of the snook that they had caught, I finally agreed that the players crew had caught 47 snook and the largest being 90cm as shown in the photograph. This is not the end, as I am mounting a counter challenge to the players crew to catch a 1.0m snook, and I am sure that my much superior experienced crew will come through when the going gets tough. **JOHN KANTILAFAS | GENERAL MANAGER**
