

EAGLES CLUB INC.

2017 FINANCIAL STATEMENTS

Statement by Members of the Board

The directors of the board are responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1985 (SA) and is appropriate to meet the needs of the members.

The board's responsibility also includes such internal controls as the board members determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

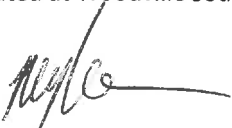

At the date of this statement, there are reasonable grounds to believe that the Eagles Club Inc. will be able to pay its debts as and when they fall due.

Since the end of the previous financial year, no officer or firm in which an officer is a member and no body corporate in which an officer has a substantial financial interest, has received or become entitled to receive a benefit either directly or indirectly from the Eagles Club Inc. as a result of a contract between the officer, firm, or body corporate and the Eagles Club Inc.

Since the end of the previous financial year, no officer of the Eagles Club Inc., has received directly or indirectly from the Club any payment or other benefit of pecuniary value.

Signed in accordance with a resolution of the Board of Directors.

Dated at Woodville South this <sup>18<sup>th</sup></sup>..... day of December 2017.

K Slaven (President/Chairman)

C S Williams (Director)

**Independent Auditor's Report  
to the Members of Eagles Club Inc**

**Report on the Audit of the Financial Report  
Opinion**

We have audited the financial report of the Eagles Club Inc. (the association), which comprises the statement of financial position as at 31 October 2017, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the statement by members of the board.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of the Eagles Club Inc, as at 31 October 2017 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the financial reporting requirements of the Associations Incorporation Act 1985.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Emphasis of Matter – Basis of Accounting**

We draw attention to note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the financial reporting requirements of the Associations Incorporation Act 1985. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

**Responsibilities of the Board for the Financial Report**

The board is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Associations Incorporation Act 1985 and for such internal control as the board determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the board is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the board either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

**Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to frauds or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as frauds may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

**Report on the Audit of the Financial Report (cont'd)**  
**Auditor's Responsibilities for the Audit of the Financial Report (cont'd)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board.
- Conclude on the appropriateness of the board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 October 2017**

**Note 1: Summary of Significant Accounting Policies**

The financial statements cover the Eagles Club Inc. as an individual entity. The financial statements were authorised for issue on 14<sup>th</sup> December 2017 by the Board of Directors.

**Basis of Preparation**

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (SA) 1985. The committee has determined that the association (the Club) is not a reporting entity.

No Australian Accounting Standards have mandatory applicability and Australian Accounting Interpretations are also not applicable. The Club has however adopted the recognition and measurement requirements of the Australian Accounting Standards unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

**Going Concern**

The Eagles Club and the Woodville West Torrens Football Club made a combined operating surplus of \$147,364 for the year ended 31 October 2017. On this basis management considers that the use of the going concern basis in preparation of the accounts is appropriate.

**Accounting Policies**

**a. Income Tax**

The Eagles Club Inc. is a sporting association and is exempt from Income Tax by virtue of section 50-45 of the Income Tax Assessment Act 1997.

**b. Inventories on Hand**

Inventories held for sale are measured at the lower of cost and net realisable value. Costs are assigned on a specific identification base and include direct costs.

Inventories held for distribution are measured at cost adjusted, when applicable, for any loss of service potential.

Inventories acquired at no cost or for nominal consideration are measured at the current replacement as at the date of acquisition.

**c. Plant and Equipment**

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(e) for details of impairment).

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 October 2017

**Note 1 Summary of Significant Accounting Policies (cont'd)**

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

**Depreciation**

The depreciable amount of all fixed assets including capitalised lease assets is depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is available for use.

The depreciation rates used for each class of depreciable asset are:

<b>Class of Fixed Asset</b>	<b>Depreciation Rate</b>
Plant and equipment	10%-40%.

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they occur. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

**d. Leases**

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the Club, are classified as finance leases.

Finance leases are capitalised by recognising an asset and a liability at the lower of the amount equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the Club will obtain ownership of the asset over the lease term.

**e. Impairment of Assets**

At the end of each reporting period, the Club assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of that asset, being the higher of the asset's fair value less costs to sell and its value-in-use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is immediately recognised in profit or loss, unless the asset is carried at a revalued amount. Any impairment loss of a revalued asset is treated as a revaluation decrease.

Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

**f. Employee Provisions**

Provision is made for the Club's liability for annual and long service leave arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

**g. Cash and Cash Equivalents**

Cash and Cash Equivalents includes cash on hand, deposits held at-call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

**h. Accounts Receivable and Other Debtors**

Accounts receivable and other debtors include amounts due from members with amounts on account as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

NOTES TO THE FINANCIAL STATEMENTS  
For the year ended 31 October 2017

**Note 1 Summary of Significant Accounting Policies (cont'd)**

**i. Revenue and Other Income**

Revenue from the rendering of a service or the sale of goods is recognised upon the delivery of the service or receipt of goods to the customer.

Interest revenue is recognised using the effective interest method which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax.

**j. Borrowing Costs**

Borrowing costs are recognised in profit or loss in the period in which they are incurred.

**k. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

**l. Accounts Payable and Other Payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Club during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**m. Provisions**

Provisions are recognised when the Club has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**NOTES TO THE FINANCIAL STATEMENTS**  
For the year ended 31 October 2017

**Note 2 Cash and Cash Equivalents**

**Note 4 Intangible Assets – Gaming Entitlements**

The Club has recognised gaming entitlements as an intangible asset. The gaming entitlements were purchased in 1994 at a nominal cost. However, under current legislation, Club's are able to use gaming entitlements as collateral when borrowing money from financial institutions for the purposes of purchasing new machines or new games. Given that Clubs can also trade gaming entitlements using the trade prices as set and published by Business and Consumer Affairs, the committee believes it prudent to revalue the gaming entitlements using the Vendor price as published by the Business and Consumer Affairs to revalue and recognise the entitlements as an intangible asset on the Balance Sheet. The Vendor price as at Trading round 13/2017 in May 2017 was \$17,063.50 (Trading Round 12/2016 in September 2016 was \$23,375). This resulted in a reduction in the Intangible Asset of \$252,460 for (\$182,500 for 2016) which has been debited to the Intangible Asset Revaluation Reserve.
